FY2009-2010 BUDGET & APPROPRIATION ORDINANCE—PUBLIC HEARING

Vice-President Fields indicated that the sole purpose of this meeting was to hold the required public hearing regarding the annual Budget & Appropriation Ordinance, which is on the agenda for the regular Board meeting later in the evening. *Library Director* Hurwitz reminded the Board that a tentative Budget & Appropriation Ordinance had been drafted and approved on July 23, 2009, and that a legal notice indicating that the tentative Ordinance had been prepared and was available for public inspection was published in the July 30 edition of the Lincolnwood Review. The legal notice also provided the required information about tonight's public hearing.

The Board waited until 7:25 p.m. for members of the public to appear at the hearing. None did. *Library Director* Hurwitz reported that the Budget & Appropriation Ordinance being considered this evening contains the same figures as those provided in the tentative Ordinance that the Board reviewed and discussed at length—and then approved—on July 23<sup>rd</sup>. In summary, the Appropriation proposed for FY2009-2010 totals \$3,245,459.00, a decrease of \$122,260 (3.63%) compared to the FY2008-2009 Appropriation of \$3,367,719.00.
