### Save Time – Choose Favorites!

As you browse hoopla, tap the ♥ **Favorite** icon to save interesting titles that you might want to check out later.

Tap My Hoopla at the bottom of the page and then the ♥ icon with a number in the center on the right side of the page to view the titles you've saved.

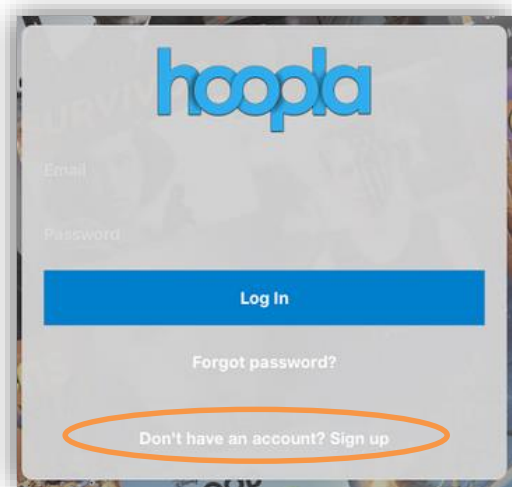

**Movies & TV, music, audiobooks,  
ebooks, and comics for your  
mobile device**

**No waiting.  
No late fees.  
Instant access.  
Automatic returns.**

## Getting started with the hoopla app on your mobile device:

1. Search 'hoopla' in your device's app store and download the free app (iOS, Android, or Kindle Fire HDX)
2. Tap **Don't Have an Account? Sign Up** after opening the app.

3. Under Choose Your Library, select **Lincolnwood Public Library** or type 'Lincolnwood' in the search box. *Note: If you have your device's location services turned on, hoopla will locate nearby libraries.*

4. Enter an email address, a password, and your Lincolnwood library card number and tap **Sign Up**.

## Borrowing & playing eMedia on your mobile device:

When you sign in, you'll be on the hoopla home page. At the bottom of the page are icons for the home page (My Hoopla), Video, Music, Books and Search.

1. Tap **Search** or select a format to browse by tapping the appropriate icon to find titles you want.
2. When you find a title you like, tap on the cover.
3. Tap **Borrow** to check out instantly.
  - To stream your selection right away (requires a good internet connection), tap **Play**.
  - To download your selection so you can play it without being connected to the internet, tap "Download to your device" or the down-arrow icon. Download speed will vary based on your internet connection.

To see how many checkouts remain in your monthly allowance, tap on **My Hoopla** at the bottom of the page. The number of checkouts you have remaining appears at the top of the page.

To play a borrowed title, tap on the cover, then tap **Play**. For music albums, you can play an individual track by tapping on its title.

Stream media from your mobile device to your TV: **hoopla** is compatible with **Apple TV** and **Chromecast!**
