- Live tutors using text or voice chat
- 24/7 drop-off reviews
- Video lesson libraries
- College admissions test preparation
- Graduate school admissions test preparation
- Practice quizzes & skill drills
- SkillsCenter resource library

How to access Tutor.com

1. Go to the library's website, lincolnwoodlibrary.org
2. Select **Research & Learning** on the top menu, and then **Quick Links**, then select **Tutor.com**
3. **Enter your library card number with no spaces.**

For more information about using library resources, please visit our website lincolnwoodlibrary.org or stop by the Information Service desk in the library.

What next?

1. Take a tour to get oriented with the full Tutor.com learning suite.

2. We recommend you create a free Tutor.com account to unlock extra features, save resources for later, and keep track of your progress. If you're under 13, your caregiver can create the account for you.

For more detailed instruction, book a one-on-one session with a librarian. Registration requires a Lincolnwood Library Card. For scheduling, contact Information Services at (224) 233-1859.

- Describe your assignment, including instructions from your teacher.
- If your teacher requires a **citation format**, select one from the box.
- Upload the document for review, then click **Submit**.

Dropping off a math question

Mathematics can be difficult sometimes, and as exams near, a live tutor session for more complex questions may take up too much time. In addition to live tutoring, one can send a question to a tutor, who will send feedback within 24 hours.

The screenshot shows the Tutor.com interface for Lincolnwood Library. At the top, there are navigation buttons: 'Connect with a tutor now', 'Submit a paper for review', 'Drop off a math question', 'Take a practice quiz', and 'Other Tools'. Below these is a section titled 'Got a question? Ask it now.' with a sub-header 'Please submit one question at a time why?'. The form includes a dropdown menu for 'What kind of help do you need?' (set to 'Math PreCalculus Drop Off help') and a 'Select your grade level:' dropdown (set to '12th'). A text box for the question contains the text 'How do you divide polynomials?'. There is a 'Attach File' link and a 'Draw your Problem' button. A blue 'SUBMIT' button is at the bottom.

- Under the **What help do you need?** box, select a topic.
- Select your **grade level**.
- Type your question in the box.
- If required, **attach a file** by clicking the link. Alternatively, you can click on **Draw your problem** to illustrate the problem.
- Click the **Submit** box.
