FUN WITH FINGERPLAYS AND SONGS

Five Little Books

Five little books in the classroom,
Five little books as great as can be
Along comes [name] with their library card
To take one home and read!

The Wheels on the Bus [action rhyme]

The wheels on the bus go round and round
[make circle motions with your arms]
Round and round, round and round
The wheels on the bus go round and round
All through the town

The wipers on the bus go "Swish, swish, swish,
[move your arms back and forth]
Swish, swish, swish, swish, swish, swish"
The wipers on the bus go "Swish, swish, swish"
All through the town.

The horn on the bus goes "Beep, beep, beep
[pretend to honk a horn]
Beep, beep, beep, beep, beep, beep"
The horn on the bus go "Beep, beep, beep"
All through the town.

What Will I Wear to School Today?

What will I wear to school today, school today,
school today?
What will I wear to school today?
Perhaps something [color]!

ASL SIGN OF THE DAY "School"

Quickly bring your
your dominant hand
down onto your
base hand twice as
if clapping.

There's a Dog In School

There's a dog in school, OH NO!
What are we going to do?
As long as there's a dog in school
He'll have to learn his alphabet, too!

[Bark the ABC song, then continue with other animals. Examples: cow, cat, pig, etc. End with 'kid' and sing the ABC song the traditional way.]

The More We Learn Together

The more we learn together, together, together
the more we learn together
the happier we'll be.
For your friends are my friends
and my friends are your friends
The more we learn together
the happier we'll be.

Mary Had a Little Lamb

Mary had a little lamb
Little lamb, little lamb,
Mary had a little lamb
Whose fleece was white as snow

And everywhere that Mary went,
Mary went, Mary went,
Everywhere that Mary went
The lamb was sure to go.

He followed her to school one day,
School one day, school one day,
He followed her to school one day
Which was against the rules.

It made the children laugh and play,
Laugh and play, laugh and play,
It made the children laugh and play,
To see a lamb at school.

MORE FUN!

Note: It can be tempting, when making a craft or working on an art project to do the craft yourself instead of allowing your child to try, struggle, (and sometimes fail) to make the craft 'correctly.'

However, it is the PROCESS, not the PRODUCT that is most important part of making something with a child. Have fun and don't worry about perfection!

Paper Backpack

Supplies:

Large piece of cardstock for backpack 'body'
Stapler
Small pieces of colored construction paper
Glue
Markers (optional) for decorating

Cut TWO large backpack shapes out of your cardstock. Staple together along sides and at bottom, but leave top open so you can put (small) items inside your backpack!

Cut two long strips of construction paper for your backpack straps and staple onto the back of your backpack.

Decorate the front of your backpack with markers and/or pieces of construction paper -- create false pockets and zippers, add your name and your favorite thing about school . . . the possibilities are endless!

Talking with your child about the emotions they may feel and the new routines they will be getting used to when they first enter pre-school or Kindergarten is a simple way to reduce anxiety during this transition.
